

Fazail e dhikr (rememberence) and the fazail of Musa bin imran rasul : sallu alhiy wassalam and aal e imran and prophets alhiysalaam among humanity by the kalaam of allah subhanhu wa taaala in the quran the book revealed .and is written for all mankind not muslims only .especi non muslim belivers ahle kitaab who respect Musa and Isa alhaiysalaam head prophets.

Abd Allah sarfaraz khan bin mohtaram khan

these paper has been written in honour of dhikr and Musa, Isa and Maryam and prophets alhiysalaam and its reward and also the sin and punishment and justice which destroys the dhikr and iman of a servant i am not all good sinless servant but these paper has been written for the knowledge and i need forgiveness from Allah subhanhu wa taala too. nor i am claiming other prophets were sinners every believing servant sins and repents in his lifetime. but prophets and Musa alhaiysalaam was the best in these conduct.

**and nor i am claiming their creation is bigger than the creation of heav
and earth**

because in quran it is said that the creation of heavens and the earth is greater than the creation of mankind.”khalagus as samawati al ardi ak

creation of heaven

earth live and
humanity and

Imran mother of humanity”

Allah subhanhu wa taala said in quran al kareem-

وَلَمَّا جَاءَ مُوسَىٰ لِمِيقَاتِنَا وَكَلَّمَهُ رَبُّهُ، قَالَ رَبِّ أَرِنِي أَنْظُرْ إِلَيْكَ
قَالَ لَنْ تَرَنِي وَلَٰكِنْ أَنْظُرْ إِلَى الْجَبَلِ فَإِنِ اسْتَقَرَّ مَكَانَهُ، فَسَوْفَ
تَرَنِي فَلَمَّا تَجَلَّىٰ رَبُّهُ لِلْجَبَلِ جَعَلَهُ دَكًّا وَخَرَّ مُوسَىٰ صَعِقًا
فَلَمَّا أَفَاقَ قَالَ سُبْحَنَكَ بُتُّ إِلَيْكَ وَأَنَا أَوَّلُ الْمُؤْمِنِينَ ﴿١٤٣﴾

(7:143) And when Moses came at Our appointment, and his Lord spoke to him, he said: 'O my Lord! Reveal Yourself to me, that I may look upon You!' He replied: 'Never can you see Me. However, behold this mount; if it remains firm in its place, only then you will be able to see Me.' And as soon as his Lord unveiled His glory to the mount, He crushed it into fine dust, and Moses fell down in a swoon. And when he recovered, he said: 'Glory be to You! To You I turn in repentance, and I am the foremost among those who believe.'

يَمْوَسَّىٰ إِنِّي أَصْطَفَيْتُكَ عَلَى النَّاسِ بِرِسَالَتِي وَبِكَلِمِي فَخُذْ مَا
يُتُّكَ وَكُن مِّنَ الشَّاكِرِينَ ﴿١٤٤﴾

[Allah subhanhu was taala] said, "O Moses, I have chosen you over the mankind with My messages and My words [to you]. So take what I have given you and be among the grateful."

Now these says clearly that Musa alhiysalaam has been chosen above mankind .

Arguments-

1.there are other prophets who were chosen .

It is the most easiest to explain because we do not deny that other prophets were chosen like sayyiduna Isa and muhammed sallu alhiy wassalam ,but Musa alhiyslaam is the only one which was said by Allah subhanhu wa taala alone

[Allah subhanhu was taala] said, "O Moses, I have chosen you over the mankind.

And it is the ayat of quran al kareem so you can not deny it or say it was for only that time period it was revealed to the last prophet muhammed sallu alhaiy wassalam.

None of the prophet were revealed these revelation nor any prophet ever claimed that except in case of Musa alhaiysalaam even if some found a prophet to be greater than all humanity He in confidence might claim that but the words of Allah subhanhu wa taala are free from error and mistake it can not be revealed regarding another prophet because exception is Musa alhiysalaam.by mankind means all mankind not leaving one.

2.allah subhanhu wa taala talked to other prophets alhiysalaam-

Absolutely no and never. Allah subhanhu wa taala never talked to other men like Musa alhiysalaam i.e open world conversation.in which Musa alhiysalaam can listen the voice of Allah subhanhu wa taala with his own ears coming from the outside and can answer and ask question in return just after like a close friend in case of Musa alhiysalaam very more close than a friend that is the most beloved friend and servant of Allah subhanhu wataala in humanity.

“By the law of Allah subhanhu wa taala a non prophet(nabi) among human and jinns is not greater in rank than the prophet(nabi) alhaiysalaam all prophet (nabi) were men.thats why Maryam alhaiysalaam was called “chosen above the women of the worlds alhtough she is greater in rank than many righteous men but the word and decision of Allah subhanhu wa taala are free from error and mistake“

Why did he was chosen ?

Prophet Musa alhiysalaam asked Allah subhanhu wa taala why he

Prophet Musa alhiysalaam asked Allah subhanhu wa taala why he was chosen ?

Allah subhanhu wa taala answered to Musa alhiysalaam “because I have not created more humble servant than you (in mankind)”

What made him humble ?

Allah subhanhu wa taala said in quran-

أَتْلُ مَا أُوحِيَ إِلَيْكَ مِنَ الْكِتَابِ وَأَقِمِ الصَّلَاةَ إِنَّ
الصَّلَاةَ تَنْهَى عَنِ الْفَحْشَاءِ وَالْمُنْكَرِ وَلَذِكْرُ اللَّهِ أَكْبَرُ
وَاللَّهُ يَعْلَمُ مَا تَصْنَعُونَ

29:45

Muhsin Khan

Recite (O Muhammad SAW) what has been revealed to you of the Book (the Quran), and perform As-Salat (Iqamat-as-Salat). Verily, As-Salat (the prayer) prevents from Al-Fahsha' (i.e. great sins of every kind, unlawful sexual intercourse, etc.) and Al-Munkar (i.e. disbelief, polytheism, and every kind of evil wicked deed, etc.) and the remembering (praising, etc.) of (you by) Allah (in front of the angels) is greater indeed [than your remembering (praising, etc.) Allah in prayers, etc.]. And Allah knows what you do.

الَّذِينَ ءَامَنُوا وَتَطْمَئِنُّ قُلُوبُهُمْ بِذِكْرِ اللَّهِ ۗ أَلَا بِذِكْرِ اللَّهِ تَطْمَئِنُّ الْقُلُوبُ

"Those who believe, and whose hearts find satisfaction in the remembrance of Allah: for without doubt in the remembrance of

REMEMBRANCE OF ALLAH. FOR WITHOUT DOUBT IN THE REMEMBRANCE OF Allah do hearts find satisfaction.(ar rad 13.28)

or in short as Allah subhanhu wa taala said in wisdomfull words- life is my remembrance(origination of time) and death is forgetfulness of my remembrance (end of time).

It is clearly said in ayat that dhikr(tongue reading not fake lip and heart reading) is the greatest deed because it is the remembrance of the name of allah subhanhu wa taala .

“And nothing is greater than name of Allah but Allah only.”

What dua Musa alhiaysalaam made when he was ordered to go to paraoh .

كَيْ نُسَبِّحَكَ كَثِيرًا

That we may glorify You much, (Ta-Ha 20:33)

وَنَذْكُرَكَ كَثِيرًا

"And remember You much, (Ta-Ha 20:34)

he did not made dua for sajda or ruku or book recitation or aamele saaliha(good works) but for dhikr the greatest deed.

he made dua for “dhikr of allah” as mentioned in the story of burning bush of bible and quran al kareem .when he was called by the right side of tur or mount sinai . he was not walking he was doing dhikr(tounge reading dhikr) constantly.

“prophet Musa alhiyslaam has done the most dhikr(literal) of allah subhanhu wa taala in humanity thats why he become the most humble servant of allah subhanhu wa taala”.and never in a lifetime looked at haraam things intentionally and even escaped unintentionally.

“Only by Dhikr of Allah subhanhu wa taala Hearts become Humble”

فَاذْكُرُونِي أَذْكُرْكُمْ وَاشْكُرُوا لِي وَلَا تَكْفُرُونِ

So remember Me; I will remember you. And be grateful to Me and do not deny Me .surah baqarah.152

The Request of Prophet Musa (peace be upon him)

Prophet Musa (peace be upon him) once requested to Allah:

“O’ Lord! It is my wish to see that creature of Yours who has purified himself for your worship and who is unpolluted in his obedience towards You.”

He was addressed, “O’ Musa! Go near the shores of such-and-such sea in order that I may show you what you desire to see.”

Prophet Musa(peace be upon him) proceeded till he reached near the sea. Looking around, he observed that on a branch of a tree that drooped over the water, sat a bird, engrossed in the *dhikr* of Allah. When Prophet Musa (peace be upon him) questioned the bird about itself, the bird said:

“From the time Allah has created me, I have been on this branch, engaged in His worship and dhikr. From every dhikr of mine, there branch out a thousand other dhikr, and the pleasure which I derive from the dhikr of Allah, provides me with nourishment.”

“Do you crave anything from this world?” asked Musa alhaiysalaam..

“Yes. I yearn to taste one drop of water from this sea,” replied the bird.

Musa (a.s.) exclaimed, “But there does not exist a great distance between your beak and the water! Why don’t you dip your beak into it and drink it?”

The bird answered, “Out of fear lest the enjoyment derived from the water should make me heedless of the pleasure of the dhikr of my Lord.”

These bird is sahaba among bird of Musa alhaiysalaam in firdous(highest paradise) that’s why he meet this bird. Verily he was chosen by allah subhanhu wa taala.

Hearing this, Prophet Musa alhiysalaam clasped his head in intense astonishment.

Musa alhiysalaam asked allah subhanu wa taala “give me the

musa alhiysalaam asked allah subhanhu wa taala give me the greatest remembrance which you did not give to another servant so that i may thank you and remember you “

Allah subhanhu wa taala said to Musa alhaiysalaam -say “la ilaha ilallah”

he asked “but all your servant say these “

he was answered “ya Musa if all the heaven and earth filled with its light and blessings it will not be enough for it to contain it “

“la ilaha ilallah does not go to scale but directly go to arsh near Allah subhanhu wa taala where it is answered by Allah subhanhu wa taala” verily my servant has said the truth there is no god but me so worship me alone”

another verse is “here o israel verily your lord is one god lord”

which is answered the same answer if said many times a common practise among ahle injeel and taurat and the reason of power for their world domination in science and technology”

“so worship and serve god (alone) being sincere to him in religion” az zumar(39)2

“why did he say in front of god i am ummati muhammed when he was the chosen one and also Isa ibn Maryam sallu alhiy wassalam when god said to Musa alhiysalaam the 700 times reward is for ummati muhammed sallu alhiy wassalam?

didn't he asked to Allah subhanhu wa taala make my community the best because i have been chosen and it was his right to behead the best community ?

yes it was his right there is a very simple answer to that “name of allah subhanhu wa taala is al hakim the most wisdomfull and that's how allah subhanhu wa taala talked to his servants it was not denied to Musa alhiysalaam which appears by the answer it was ordered to become like muhammed sallu alhiy wassalam the last prophet that what it means in reality”

truth is what Allah subhanhuwa taala says not ummati muhammed they just confirm it not decide it there is a large difference between the two truth is decided by Allah subhanhu wa taala not mankind.”if god said “i have chosen moose above the mankind” means chosen above the mankind

” Now you can scream million times these and these it is not going to affect god decision”.

**“allah subhanhu wa taala has taken the final decision regarding these two prophets now you like it or not it is going to remain forever
“**

“do you think Isa ibn Maryam alhiysalaam who did not take home ,and marry (i can not confirm it),wandered homeless suffered hunger ,thirst ,the insult of being homeless of years ,cursing ,harsh criticism and beatings and then serve allah subhanhu wa taala for two thousand years by time of earth but may be million by time of heaven (time run faster in heaven) and Allah subhanhu wa taala will not give him a position with moses .do you think god will do this injustice to Isa alhiysalaam.god is free from all types of injustice .its in your hypothetical mind that you undervalue him dont you look at americans which you all seceretly follow”the people of Isa alhiysalaam or who bilieve in him OR

” dare to accomplish a project like wikipedia which take two thousand years of research by million of ahle injil also of ahle taurat and their blood and flesh and tears and sweat to accomplish”

what is the wikipedia project?

“allah subhanhu wa taala teach adam talhiyslaaam the first human being created the names of all things and trusted the children of adam the responsibility of studying and resarching and finding the signs in it and then use it for the benefit of mankind. of which responsibility was taken by Isa ibnu Maryam but also by Musa alhiysalaam mainly.for which reponsibility a servant of god abraham lincoln was born in america to initate the work and make it public and thus the nation which was promised in quran “descends from every height was risen and start to take over the world and was granted power and guidance by god himself to accomplish project although it was going on from first coming but major work done by firstly british people and then their successeres the american people to whom god (allah subhanhu wa taala trusted these responsibility .

“Be the light unto the nations”

and not to mention the feeding of millions of poor and hungry people all the world who were drinking cowpiss dirt graas to survive the responsibilty of which was given to mohammedens(jumma day and jabal omar worshippers) but they failed bitterly both in these weight of responsibility of god to children of adam ,unti now and also

of responsibility of god to children of adam .and now and also supporting million of poor oprhans widows and homeless people all the while taking the accusation of dajjal project well who is dajjal project here is clearly written .

the light of god “the unicef “ project .

which become the wikipedia project and we mohammedens despite the enimity admit that they have done it very well and completed it but much of the work is remaining”

for example “cancer research(i think corporates are behind this unfinished work for *\$*),dna mapping .finding of new genes,vast phenoemenon of heavens and earth. example is dark matter and anti matter ,and some destructive things like more high explosive compound for bullets and missiles.

also some fun things like option for “afghan dose” “marijuana weed non existent hypothetical health benefits to legalise it for murrikans like oh my head is painig what should i do to “forget” these just take some weed and be cool”

but also very good researches like quick wound healing medicines or artificial legs and hands for paralyzed people.

“cancer is “\$” thats all.

“Isa alhaiysalaam was once get frustrated by rain gone to hide some where he gone to cave but found a lion was sitting there and then go to a tent which was already taken by homeless women like him in heavy heart he asked Allah subhanhu wa taala “ya Allah you give everyone a home why dont you give me a home “

Allah subhanhu wa taala answered to Isa alhiysalaam”verily my remeberence and worship(obeidience) and blessings are your home” so thats why christians or who believe in him(among mohamedens) look covered in natural mercy like Isa alhiysalaam” now these servant after all these years of worship and obedience falls to third postion are you out of your mind.didnt america have taken over the world in every field do you think by a joke they have done this or reading lip reading quran recitation or are you a blind servant this much pain and trouble and hardwork and patience and thousands of years is not a joke “but a sacrifice of epic proportions“

What is the reward among humanity in for Musa alhaiysalaam?

he will get the most (qurb)nearness to allah subhasnahu wa taala and will get the most honourable position in humanity in heaven and earth and under the throne of Allah subhanhu wa taala. and the qurb of his brothers the rasul and nabi allah sallu alhaiy wassalam. He will be given the hand of Maryam binte imran alhaiysalaam for eternity because she has been chosen above the women of alamin as decision recorded in quran al kareem so she will be the life partner of Musa alhiysalaam In firdous e aala after day of qiyamah judgement has passed and Musa alhiysalaam will be given the most honourable abode in paradise among humanity for he was chosen above mankind.

So if you believe the father of humanity is Musa alhaiysalaam and mother of humanity is Maryam alhaiysalaam.she is not the mother or wife of god (lies used by disbeilievers)not all christian believe in these theory especially the chirstian of western europe and some of eastern europe and majority of america.

**Status of Maryam alhaiysalaam regarding quran al kareem –
“By the law of Allah subhanhu wa taala a non prophet(nabi) among human and jinns is not greater in rank than the prophet(nabi) alhaiysalaam all prophet (nabi) were men.thats why Maryam alhaiysalaam was called “chosen above the women of the worlds alhtough she is greater in rank than many righteous men but the word and decision of Allah subhanhu wa taala are free from error and mistake“**

وَإِذْ قَالَتِ الْمَلٰٓئِكَةُ يٰمَرْيَمُ اِنَّ اِلٰهَكَ اصْطَفٰكِ وَطَهَّرَكِ وَاصْطَفٰكِ عَلٰٓى نِسَاۗءِ

اَلْعٰلَمِيْنَ

And [mention] when the angels said, "O Maryam, indeed Allah has chosen you and purified you and chosen you above the women of the worlds".

“the liar scholars say that in case of Musa alhiysalaam it was not said that as it was said in case of Maryam alhiysalaam .”women of the worlds”.

and Musa alhiysalaam was not the last prophet it makes Musa salhiysalaam not the chosen above mankind”.it is very easy to

explain.

it is said by Allah subhanhu wa taala directly to Musa alhiysalaam.so by the wisdom of Allah subhanhu wa taala it means

“all men that exists.”

“and it was revealed to the last prophet muhammed sallu alhiy wassalam and prophet Isa sallu alhaiy wassalam(last prophet of israel) to make clear the decision of Allah subhanhu wa taala in quran al kareem which can not be changed and denied.”

in second case it is said by “malaika” “angels” and they dont posses the wisdom of Allah subhanhu wa taala.they are talking by their own wisdom.

they are talking to a women and women need explanation clearly.

what she is comparing to Musa alhaiysalaam -

Allah subhanhu wa taala(god) said in quran “quran (4.11) to the male the equivalent of the portion of two females,“Maryam binte nabi imran alhaiysalaam is half of Musa bin wali imran alhaiysalaam”

so Maryam alhiysalaam is 50 percent of Musa alhiysalaam exactly what it means the faith ,nearness.love of god ,knowledge ,authority is half of Musa alhiysalaam she is the half of Musa alhiysalaam in short words because she is chosen and can not cross her more than one limit moses was given full two parts or hundred percent of qurb(nearness) of allah subhanhu wa taala and Maryam alhaiysalaam is given the full one or half of Musa alhaiysalaam

“Maryam binte nabi imran alhaiysalaam is half of Musa bin wali imran alhaiysalaam”

some Honours of Musa alhaiysalaam-

he was the most shamefull and the servant who feared allah subhanhu wa taala the most in humanity as mentioned in quran al kareem when he told the women to walk behind him as he may put a glance over them .

“in our time only isa ibn maryam know how to become humble servant of allah like musa alhiysalaam and a person has to always choose two prophets to follow not one for some will noah ,abraham, ahmed and another may be moses or jesus but if you want or can ask god to choose this two prophets following any one of them jesus and

god to choose the two prophets following any one of them jesus and moses you have to live more strict life than you would have expected in reality is very hard choose carefully which prophet you will follow or ask god to choose for you. but if you want this two prophets you can choose but than be prepared to face a hard trial they are followed by the strongest of humanity so it is very tough on avoiding sin and transgression level .”

where did jesus has reached? well my study point out that

“if say moses is 100 percent than jesus at least 90 to 95 percent or it is 92 percent now (12.53 9/13/2016)or may be more .so he is in truth like moses. All ulul azm messengers are found meaning fully confirmed above 80 percent of moses jesus may reach 95 percent but i can not confirm it .”

he was a servant who has remembered Allah subhanhu wa taala most in mankind.

Allah subhanhu wa taala said in quran al kareem-

“fazkuruni azkurukum” (surah baqarah) its main meaning is-

“remember(by dhikr) allah subhanhu wa taala and allah subhanhu wa taala will remember you”

prophet Musa alhiysalaam is remembered more than 500 times in the whole quran and more than 136 times by name. which shows the honour of Musa alhiysalaam. the only person who is remebered in quran al kareem most by Allah subhanhu wa taala is Musa alhaiysalaam. it doesnt mean other prophets

are half of him or like leave against a tree but the diffrence may not be for over 5 to 10 percent or 15 percent. he was chosen thats why he was mentioned more.

he was the most humble servant of Allah subhanhu wa taala in mankind.

Musa alhaiysalaam and safuraah alhiysalaam eternal tale of love in the remberence of Allah subhanhu wa taala (god) in the best of the books bible and quran alkareem.

he was the most hard working servant of Allah subhanhu wa taala in mankind in scorching heat of sun .walking about 50-100 km was a normal thing for him. and taking the heavy load of stones which no man has carried by his two hands only and his two feet only to stand

as a support. is the record of Musa alhaiysalaam. it was not because of his physical strength but it was the power of the name of Allah subhanhu taala in his heart which he remembers the most in mankind. same case is found with Isa ibn Maryam alhiysalaam and other prophets.

he was the strongest in mankind both in physical and mental powers as praised in quran al kareem “

he was the most wisdomfull servant of Allah subhanhu wa taala in humanity.

he was a servant who used to spend most of his time homeless and spending time in valleys, mountains and jungles, deserts, grounds or wherever he may get a chance. remembering Allah subhanhu wa taala and doing conversation with Allah for long days searching for ayats (signs) even after his marriage until his death.

he also was the most beautiful servant of Allaah subhanhu wa taala in mankind because he was chosen. both from face (beautiful brownish complexion face of an Israeli Arabi man) and akhlaq (character and morals). an example is given in quran al kareem when he told the women to walk behind him as he may put a glance over them.

he is the only prophet who has married an Ethiopian woman regardless of open rebellion by Bani Israel for this decision while all men except a very few hold a favour of white over black women when it comes to marriage and Ethiopian black women are considered the lowliest for because they are black and second they are slaves which proves that racism was not in the heart of Musa alhaiysalaam.

regardless of condemnation in quran al kareem for their sin and disobedience and frustrating and torturing Musa alhiysalaam for a time. Musa alhaiysalaam and his companions are chosen among a group of prophet and his companions because they have faced a most worst muhrak and takkabur and tyrannous men and his qawm and have overcome them through patience and remembrance of Allah subhanhu wa taala. in heart churning slavery, oppression and killing and dishonoring of their own women and children

in scorching burning heat of Egypt's sun and sand for many years not just 40 years. this period was the time when their liberation and freedom started to begin by coming of Musa alhiysalaam with glad tidings of victory over and killing of Firoun and his people.

“the family of Musa alhiysalaam and his non prophet companions

the family of Musa alhiysalaam and his non prophet companions are the hardest muslim men and women exception is Maryam alhiysalaam who come later in these world and is chosen among all the prophet alhiysalaam and his companions.although strongest muslim men are prophet alhiysalaam and we do not deny that.but when come to prophet and his companions prophet Musa alhaiysalaam and his companions are chosen because these group has the strongest iman and strongest phyiscal and mental strength and sabr(patience).

” only whom who suffered not their progeny(exception is Isa ibn Maryam sallu alhaiy wassalam and his companions) who did not suffered the opression of firoun and his people.”

regarding the case of abu bakr and umar radi allahu anhu they were not prophets.and haroon and yeshua bin non alhiysalaam were ulul azm prophets and companion of Musa alhaiysalaam.so Musa alhaiysalaam got the best sahaba companions among ulul azm messengers alhaiysalaam .

There was a prophet came from arabs ahmad muitaba sallu alhaiy wassalam who was orphan and a low class worker like moes and could not read and write a single word or letter but still he accomlished the responsibity of quran and teached it to whole mankind .

“Allah favour whom Allah wills Allah did not ask anyone to whom Allah should favour.Allah favours the servant who remember Allah the most because their hearts are the most humble and who fear and shame Allah from committing sins in hiding ”

why some people lies or hide the truth about the status of Musa alhaiysalaam?

for only one reason the jews .but because jews praise Musa alhaiysalaam doesnt change the decision and truth of Allah subhanhu wa taala.

what about muslim claims regarding prophet muhammed sallu alhiy wassalam .not every one is lying.what about the ijma(consesus) of mohammedens?

1.it is the truth but prophet muhammed sallu alhiy wassalam himself denied to not exalt him above Musa alhiysalaam or any other prophets(the incident in hadith when one jew quarreled with another sahaba over the statue of Musa alhiysalaam) because all

another sanaba over the status of Musa alhiysalaam) because all prophets are brothers and it is extremely disliked by prophets to be exalted above others prophets.especially in case of Musa alhiysalaam it was explicitltly clear.he forbidden the muslims from exalting prophets beyond their status.

“ijma is nothing against the decision and truth of allah subhanhnu wa taala.no one compare and stand against Allah subhanhu wa taala”

“They are human and human errors if not lying even the truthfull ones so dont trust the liars among the people whom book was given and outright lie in your face and deny the status of Musa in case of Isa alhiysalaam it is still clear

“but it take *brains* to understand these which camel toe wives husband cant understand

in that case Allah subhanhu wa taala was with the jew because he said-”all praise and honour is for Allah who chosen Musa above the mankind”for which he was answered by sahaba by a hard slap on his face

the case goes like that one jew said in fornt of sahaba companion”all praise and honour is for Allah taala who has chosen moes above the mankind”

hearing this the companion answered -you are saying this while prophet is present between us “ and gave him a hard blow or slap for which the jew gone to prophet muhameed sallu alhaiy wassalam for justice hearing this he become so much angry that redness appears on his face and warned that never exalt me above moes .for when everyone on the day of judgement will be in intoxication state i shall see moes holding the pillar of throne(already awaken before mankind) shaking in fear of allah taala and he was chosen.

after that no sahaba exalted any prophet above moes until the propehts death

after that the tradition continues to this day . which shall be broken again because which has an start has an end .and it is the order of prophet not opinion of a imam and a muslim has to obey the prophet sallu alhaiy wassalam.

.“Allah and his rasul forbid us too compare prophets alhiysalaam and exalt one and belie the status of another i mean in a manner you

just dont remember the sacrifice of muhammed sallu alhiy wassalam only and praise his virtues and sacrifice only. it is only allowed by allah subhanhu wa taala when you remember the sacrifice of all prophets as mentioned in quran or surah Maryam alhaiysalaam,.because all prophets alhaiysalaam are one family of muslim brothers.only in case of Musa alhiysalaam it is clear thats why there is no harm in praising his virtues,because will you forget the sacrifice of nuh and Isa and Musa alhiysalaam for example who has given no less blood and flesh and tears and hardwork of their own for sake Allah subhanhu wa taala and his believing servants”

the position of “imam of the ambiya”,”khairul baariya”,maqam al mahemood

and liwa ul hamd and owner of kausar (life gving water for people of paradise).

all these are true but he is not the only one who was blessed with these postion .have you forgotten nuh alhiysalaam who did fight and worshipped for the sake of allah only for 960 years and built a boat for all humanity.he to was imam of ambiya,he too is called khairul baariya.(best of creation),he to posses the flag of honoring and praising Allah subhanhu wa taala,he to will have share in the life saving water of kauser,he to will get a prestigious postion in qiyamah not only nuh alhaiysalaam but it is the case with every messengers and prophets too.

or did you forget Isa ibn Maryam rasul and khalifa of Allah subhanhu wa taala.all these honours are bestowed on nabi Isa ibn Maryam sallu alhaiy wassalam by Allah subhanhu wa taala too.

when prophet Isa ibn Maryam becomes the khalifa of allah subhnhu wa taala in he too become imam of the ambiya in his time of excellency like other messengers.kaihrul barriya means best of creation.the creation which are the most humble towards allah subhanhu wa taala.which are all prophets ,heaven and earth .arsh,kursi,archangels too.

“maqam al mahmood “ the prestigious position for the prophets who has praised Allah subhanhu wa taala the most. and these is given to prophet Musa and Isa alhiysalaam too because they too praised Allah subhanhu wa taala like prophet muhammed sallu alhaiy wassalam and other messengers too in the yawm al qiyamah.

“quran is for the people who posses brain to use not child mind innocent mooslims who need everything to be told especially the case

of Musa and Isa ibn Maryam alhiysalaam”.

“khaleel and habib of Allah subhanhu wa taala”

this honour is true for the ibrahim and muhammed sallu alhiy wassalam as was confirmed by Allah subhanhu wa taala in quran al kareem and hadeeth.

but the honour bestowed on prophet Musa alhiysalaam was also greater its easy for allah subhanhu wa taala to bestow such a honor on Musa and Isa ibn Maryam sallu alhaiy wassalam too.the chosen prophets of israel and muslims.

if allah subhanhu wa taala choose Musa alhiysalaam he will also bestow such a honour on chosen prophets.even the muslims do not consider them as such it didnt affect allah subhanhu wa taala.

“Allah favour whom Allah wills Allah did not ask anyone to whom Allah should favour.”

main reasons why Musa alhiaysalaam was favoured -

biggest arguement “if you are truthfull in your claim then why dont mohammedens remember him the most among prophets and Isa ibn Maryam too”

the name of Musa alhaiysalaam is Musa bin imran(non prophet).

the bigggest ayah of quran is “Allahu la illa hu al hayyu al qayyum”.

and also the greatest name of Allah subhanu wa taala is

“allahu walazi la ilaha illa hu rabbuka arshil azeem”

so whenit is said “Allah” it means the name described above

it is greatest and chosen name of Allah subhanhu wa taala and the flag of Musa alhaiysalaam and aaale imran.primary flag of aale imran is in the hands of Musa alhaiysalaam.but in our time is in the hands of Isa ibn Maryam alhiysalaam.

like the preivous case people say always “la ilaha il allah” more and rarely say the aal e imran verse but Allah sunhahu wa taala remember his name the most alway from eternity to eternity. same is the case not status of Aal e imran prophets Isa wa Musa

alhiysalaam the chosen of the mankind and Allah remember him

alaiysalaam they are chosen of the mankind and Allah personally remembers them the most more than anyone.

so they dont need the remembrance of men thats why .but hold on the greatest remembrance are two one is dhikr and another quran or bible ,pslam,gospel and in that book you will find the remembrance of these two prophet more than any other prophets may these open your eyes .

now before Allah subhanhu wa taala it is the greatest name and ayah.

while “la ilaha il Allah is the greatest proclamation of faith in Allah and the greatest dhikr”.and is the flag of aale ibrahim or flag of ibrahim and muhammed sallu alhiy wassalam.

“ Allah created everything in pairs or originated every thing in pairs.”

“because no one is singular and one (wahid and ahad) except Allah subhanhu was taala himself which is clear proof that he is pious upon pious and far free from all types of shirk and kufr and fahisha,munkar wa baghi and nor responsible for it“.

thats why Allah subhanhu wa taala choses two messengers from bani israel and family of imran. Musa wa Isa alhiysalaam above the humanity because Allah will prove it two times not one times a common phrase among ahle injil.

“that is Musa ,Isa and Maryam(not above prophets) alhaiysalaam above the humanity.

“and Isa ibn Maryam alhiyslaam is from two thousand by earth years on heaven do you think he has achieved nothing and was just gone to “soul” washing”

.it is not by a joke that american have suddenly takenover and completed the wikipedia project do you think writng accurate more than five million articles is a joke it is not novel and poetry where you can just imagine and fool people it is research of million thing creation and pheneomenon which proves where Isa ibn Maryam alhiysalaam have reached.

it takes trillion of people hours long research ,try and error .data correction and matching with the most correct theory or view.long

simulations of which majority are wrong.

“just to write a single article about tsunami the researcher have to go to sumatra examine the data and sea shore and trees ask the locals and all these hours of research is written in two papers only for laymen understanding”

thats why Allah subhanhu wa taala choose two prophets of israel and of one family through Maryam alhiysalaam.

like this ayat people say it very less but is mentioned more by Allah subhanhu wa taala in quran.same is the “case” not status of these three servants.people remember them less but Allah subhanhu wa taala remember and honour them more than the humanity.

Allah subhanhu was taala promised in quran-” ya bani israel remember my favour onto you that i have chosen you in the alameen or above the nations”.

you may not believe but there are creation after human and jinn who believe and struggle like bani israel.

“and Allah created everything in pairs or originated every thing in pairs.

that is creation and words(knowledge) and truth”

example in creation is heavens and earth

in words are ar rahmaan ar raheem or names and words

in truth is water which looks colourless but in reality is of black colour both are truth.

“because no one is singular and one (wahid and ahad) except allah subhanhu was taala himself which is clear proof that he is pious upon pious and far free from all types of shirk and kufr and fahisha,munkar wa baghi and nor responsible for it“

so two prophets are chosen mainly in bani israel and aale imran Musa and Isa ibn Maryam sallu alhaiy wassalam.and also prophet muhammed sallu alhiy wassalam on which aal e imran was revealed.

“There is no tribe and nation between the ambiya alhaiysalaam all are one family and bani israel and aal e imran and aal e ibrahim and possesor of both the flags.regardless of their coming into the world because they have blessed with the heaviest iman among mankind it

~~because they have blessed with the heaviest man among mankind it~~
is for the non prophets only. they are nothing but one muslim nation”

apart from prophets there is a group of non prophets who too have no nation

they are called “fuqrah” or “faqeer” pover men and women who has abondened the world like moses and jesus and wander on earth finding the path to god. like hussein and his family.

“and how many servants of allah subhanhu wa taala have passed like nuh alhaiysalaam’_as Allah subhanhu wa taala and his servants said in quran al kareem-

“salamun ala nuhun sallu alhiy wassalam alal almeen”

“Peace and blessings upon nuh sallu alhaiy wassalam among all the worlds”

“out of seven ulul azm(greatest) messengers only three are from bani israel”.

“the struggle and fighting of nooh alhaiyslaam was so much shadeed(intense) and long that even the companions of Musa alhiysalaam where taking their struggle and fighting against firoun a small thing when comparing with him(on personal level which in reality was true)”.

the words of Allah subhanhu wa taala are literally true by bani israel means bani israel not israel himself and aal e imran mean progeny of imran not imran himself when there is the case of choosing the two most humble servants among nation of israel or the world.

other wise in other cases it is both israel (yaqub alhiysalaam) and imran (prophet imran).

and in women Maryam ummi Isa and binte nabi imran and asiya alhaiysalaam sahabi of Musa alhiysalaam. martyred while fighting for the kalima of aal e imraan.

and main reason is both prophets foughted and killed the most haughty servants-

“Musa alhiysalaam fight and killed waleed bin musayb firoun by the help of Allah subhanhu wa taala who is the only one who proclaimed

help of Allah subhanhu wa taala .who is the only one who proclaimed the biggest lie for himself that there is no god besides him which makes him the most haughty servant of Allah subhanhu wa taala.”

“other one will be killed are two one is dajjal and other iblis rajeem by the hands of Isa alhaiysalaam.

“anti christ proclaimed the second biggest lie for that he himself claimed to be Allah subhanhu wa taala. will or is killed by Isa ibnu Maryam sallu alhiy wassalam by a sword.

“does this event does not open your eyes that he have secured its place after mooses “.

and iblis rajeem who claim the third biggest lie that he is the rabb of servants .he too will be killed by Isa ibn Maryam upon rock under the dome of the rock in al aqsa jerusalem by a sword.that why he was chosen to spread a false religion by shaytaan as a revnenge which wikipedia researchers mainly does not believe and were chosen and created by god for this heavy task.

“so Allah subhanhu wa taala chosen his best servants(prophet Isa and Musa) in the world to kill the most worst servants firoun waleed bin Musayb,dajjal,iblis sahytan rajeem in worlds”

“other one was abu jahal and nimrod who was the worst mushrik in whole history of mankind was killed by prophet muhammed and ibrahim sallu alhaiy wassalam

The Meaning of Allahu la ilaha illa huwa al hayyu al qayyum by a simple wisdom”

evrvone have noticed that every thing which comes into existence comes by a simple numerical order(first things comes and then second like dropping of rain drops passing of days people talking in crowd you think they talk randomly but they say one after another). now then that means everything should have start ann.. end so if everything is like that then who started the first thing to originate or created there should be someone present from eternitv(who himself has no start and end and that entitv is Allah (god) subhanhu wa taala himself who is eteranlly alive now this proves that he was alone present

now if you say sleep or slumber might have taken him that is impossible because the truth described above make it impossible except him to be exist from eternitv with a partner or a thing or

power to support .god was alone present and originated and created all the things . now alone means there was no one to take god out of slumber or sleep or death if in a time period of eternitv in your mind you imagine and think about god .that means clearly he never slept nor slumber has overtaken him or even exist beacuse to alive from eternitv to eternitv entitv should be free from missperfection and errors and sin and all bad and evil(fahisha .munkar wa baghi) and he should not be responsible for it(share the blame).otherwise it would all crash into nothingness void real (0) understanding right.but does it happen no .

so these means Allah taala is “ilah “ god “ of all that exists.and is al havvu the ternalv alive al qavvum “the eternally present and existng with infinite honour and glory” .

WHERE DOES GOD EXISTS ?

musa alhiysalaam asked god “ya rabbi where do you live?

to which god answered to mores “o musa is there a place which can contain me as god said in bible “my throne is above all and i am upon the arsh (al kursi and arsh” “Allahu wa allazi lailha illa huwa rabbuka arshil azeem “the highest name of god asked by imam zainul abidin in his dream when god contacted him.

“rest was “ but if you want to find me go find me in the heart of servant who remembers me the most “ meaning mores himself “.also seventh heaven and earth and throne of god and alkursi .

ves this theory is true that example person in seventh heaven is greater than sixth heaven and earth

but not bevond that and the person in the end is small than father like heaven and mother like earth.understand my raaawsee beautifull laaave.mumumm pooch.

the dimension of space and time -

"time look like running river but american researchers say that time is more like a frozen river where each moment is trapped in its dimension space and time the limit of which are decided by god. well both are true.

the nature of time is same as the nature of water its real colour is black the darkest colour but its look colourless transparent"

so future is not gone anywhere and past did not go anywhere its the moment executed by god which is called present or live time.

because god is alive from eternity and no one could claim he was doing nothing from eternity and suddenly in a period of eternity "the time period which has no start and end" god started executing things"

rather this story is repeating in an infinite loop .

so afterlife is not an infinite time period as you think of it .it is infinite loop of time .one hour comes and then another hour comes.one day comes and ends then another day comes ,thats how the time runs.

its run in a straight line and dont go backwards if Allah has given you 50 years of life you will live 50 years not one microsecond less or will you live and 0.0001 second years no you will die on what time is your destiny .

understand right?

when you read god parts the red sea . and you feel really parting . it is happening somewhere in another dimension of space and time and yes i dont know flower design noodle maths equation of these. although i like noodle and flowers.

because faith in god and his signs are not based on hypothetical model of events which a believer may think god is truth and so his signs words and verses. you understand the concept of frozen river right?

and you understand the origination of time too?

i will give you a good example but can not verify it through texts.

once mooses was talking to god and raised his voice or in a disrespectful manner.for which god answered mooses do you think you are the only mooses i talk to then mooses see 99 dimension of space and time in which a mooses standing on al tur (mount sinai) talking to Allah subhanu wa taala (god).

because only god(allah)is (ahad)(one) and will not allow anyone except himself to be one . now did you understand the truth behind the multiple dimensions of space and time .

so again we return to mooses

is there different story going with the same person.

no and yes both

"its the same story with slight difference"

:if mooses met safuraah (ziporah) then he met her in all dimensions of space and time he exists.

now whats the difference here then

"its the angle of seeing and direction of coming and safuraah looking at mooses in different angle and views,

colour of the dress. measure of light on the day .

in one dimension she might look to like a arabian women in another like an israelite in another like an european women whose dress liken of a flower.in another liken of hard country indian women working in labour all day or the

difference in body weight and height .

same goes with safuraah (ziporah) alhaiysalaam

in one dimension she seen mooses coming .in another she did not see his face directly coming.in another she did not see him lifting up a heavy rock which proves his manly strength .and in another she was looking into his strong long brown hands lifting the heavy rock and also is pale face by hunger and thirst . in another on his shoulders only .

"an eternal love story in the remembrance of Allah subhanhu wa taala (god) in his greatest of book"

"fazkurini azkurukum""remember me i will remember you"

"moses and ziporah an epic and historic love story in bible and quran "

now these epic eternal historic love story beautifully describes the secret of space and time and will be remembered by Allah (god) for eternity "

how allah subhanhu wa taala talked to Musa alhiysalam?

first Musa alhiysalaam does dhikr and most of the time sitting and everyone knows that he is going to talk to god. then he climb the mountain where allah subhanhu wa taala send salaam on him and his hearts melts and become humble and then he does dhikr again or prayed two rakat we do not know before or after the conversation. bani israel asked how did the voice of Allah sound to you liken of a sound in creation?

Musa alhiysalaam answered- it was liken to "you" like the sound of bolt without the thunder .it was much more humble and soft when talking to Musa alhiysalaam .what they call high pitch and low pitch voice of god .

Musa alhiysalaam asked Allah subhanhu wa taala "ya rabb there is a community written in kitaab(taurat) that there will come a community which will be rewarded upto 700 times make this my community ya rabb"

he was answered -it is the community of muhammed .then he answered then i am ummati muhammed "now this is the main conversation which is thrown like bombs when proving musa alhiysalaam chosen in mankind it did happened .but name of Allah subhanhu wa taala is al hakim the most wisdomfull and he talks to his servants in hikmah(wisdom).when we have already described the decision of Allah subhanhu wa taala in quran which no one can change and deny as claimed by god in quran. then this case is very simple it was never denied to him it was ordered by god to become like him which he did the best in mankind means on top ranking of mankind ummati muhammed means "standard and laws and good deeds of muhammedens. "

which he long overcome by his continuous iihad for all his life until death .and win against every servant of Allah subhanhu wa taala in these race.as everyone knows the community of chosen one will be favoured the most which is

“Musa alhaivsalaam and his ummah “ ummati Musa” and also of isa ibnu marvam reaso nare described above in first two communitites favoured by the law of Allah subhanhu wa taala in quran al kareem and bible and

“and you dont know of reward what Allah has prepared for you “

but best servant near god are the prophets and companions regardless of tribes so there is a class confusion here. some time some become like prophet comapnion best example in our time is abraham lincoln who reached the staus of a high ranking companion although he was born just two centuries before.

Isa ibnu Marvam alhaivsalaam asked to allah subhanhu wa taala in complain “you have not chosen me”

he was answered “verily i have chosen you and favoured you “

rest where too chosen but never said directly to be chosen by Allah “himself” as far as reports have reached except in case of Isa and Musa and ahmed alhaivsalaam but first these two prohets were anounced these decsion as the report and evidence goes.

which is the cause of amrican rising and completing the wikipedia and unicef project trust by god to children of adam.

second as proven Allah will prove two times not one times that i have chosen bani israel and aal e imran . that is Isa ibnu Maryam and Musa alhaiysalaam.

for choosing of aal e ibrahim it is our prophet muhammed sallu alhivwassalam on whom surah bani israel and aal e imran was revealed.

but even vou ahle kitaab bilieve in him as a messenger vou will shall reamin into the community of gospel and taurat or until vour work completed so that dont take it wrong but thev claim that we muhammedens have completed or taken the weight of your prophet while you become infidels which is wrong.

if ALLAH subhanhu wa taala(god) has chosen these prophets than its responsibilitv on ALLAH subhanhu wa taala(god) himself to raise their community to be the chosen ones actually twos even thev are not mohammedens or die becoming mohammens thev believe in him as a prophet as a messeneger and spotted manv times saving la ilah ilallah muhamudur rasulallah in conversation or normally

if Allah Muhammad Rasul Allah in conversation or normally happened million of time but die while remaining the follower of Isa ibnu Marvam and Musa alhivsalaam. because god is giving each prophet his share. do you think Moses did not cry while seeing the massacre of Jews by Nazi or Jesus did not cry and paved for help seeing the massacre in two world wars. they love them Momin among them but hides it publicly or before you Mohammedans. they might not say it. but every one knows it.

Isa ibnu Marvam alhivsalaam still teaches bible to his followers that's why you see them in dungeons of Africa feeding them on which no one in the world wants to look because of their poverty and in their hypothetical non-existent thinking black ugliness.

“it's the devil's trick to show black people ugly even they are the righteous”

.”i don't mean Bashir he himself is devil”

you have to use your brains very high when judging in these lands

“actually not just look who is killing and raping more and who have all the aid in his godowns voila guilty is found”

friend of God -

what these really means -

i will tell you in so clear words that you will not go in confusion after that -

now God says that he is my friend Moses Jesus Ahmed and Abraham Noah and all prophets peace be upon them.

and high ranking saints like Mary mother of Jesus and your father Abraham Lincoln now what it really means.

first know that God is alive from eternity will remain for eternity.

and God surrounds all.

and God can originate infinite power (meaning power which can be used) and knowledge and mulk dominion but does God have did that no absolutely no rather God has setup a limit for every thing power knowledge and dominion and number and dimension of creation.

----- what God had done is within the power that he has from all things -----

so what god had done is given these prophets a snare from all things they did not become the owner of it that is wrong concept and a lie and they are allowed to use it as the american say it .

but if someone claim he is 10 percent or 20 percent of gods power or highness or dominion then god will take away all the for few time period like the case of solomon .

and thats how they become the friend of god .

what the case of truth of god?

first the biggest example - name of god (allah) in arabic is al haqq and al alimo

now it means he calls himself the truth(al haqq) and meaning of second the al alimo "who posses all knowledge "

and there is no limit for god. god surrounds all .

god is free of dimensions and surrounds all and limit are decided by god not limits are for god.

so " truth and knowledge are two different things" .

it s the main thing "it has no limit" meaning if god admit someone into paradise he will live forever it has no limit limit is of blessings and rank are you understanding my point.

like mooses is given a apple and you are given a apple both will be given fruits for forever "no limit"

but mooses apple is tastier than your apple and it has limit it will remain forever .

"truth and knowledge work together ".if we say he is a believer now what limit will you setup for this servant .

"limit is for knowledge part a long confusion among the scholars "

.limit is for his faith in god how heavy it is .you say nasa finds catseye nebula so it is cats eye nebula now what limit in that it is the truth understand right ?limit is how big it is how many atoms and molecules it contain"

"truth is free from limits and limits are for knowledge part" "la ilha ilallah" or here o israel your lord is one god lord or biggest truth is flag of aale imran "Allahu la ilaha illa huwa al havvu al qayyum." its not a dhikr its the most honourable verse dhikr is "la ilaha il Allah" remember it.

another example for you american is matrix movie you see mr smith destroying by hands of neo so what happens behind those lines of code

god said he is the light of heaven and earth only. and the name of god is "the truth" so truth and light are name of same entity like you wikipedia project light onto the nation truth of things and phenomenon" so bad code lies mr smith is destroyed by truth neo and what he says -i have seen it in a dream i was standing there and you were laying down there and then i said something.

then neo says it was always like that mr smith"

god says in quran 'verily the practise of god do not change "

so neo destroy mr smith the lies of darkness by the light of truth .and vomits light beer.

"the evil which destroys dhikr"

The cause of every evil is takabbur (proud , haughtiness) and riyakari (showing off outside and committing sin privately) which commonly start by love of dunya.". its cure is only one Dhikr of Allah subhanhu wa taala Abundantly and asking for forgiveness when alone or in a hiding.and be homeless like Isa ibn Maryam sallu alhaiy wassalam."

إِنَّ اللَّهَ يَأْمُرُ بِالْعَدْلِ وَالْإِحْسَانِ وَإِيتَاءِ ذِي الْقُرْبَىٰ وَيَنْهَىٰ عَنِ الْفَحْشَاءِ وَالْمُنْكَرِ وَالْبَغْيِ
يُعْظَمُ لَكُمْ تَذَكَّرُونَ

Indeed, Allah orders justice and good conduct and giving to relatives

and forbids immorality and bad conduct and oppression. He admonishes you that perhaps you will be reminded an nahl 16.90

allah subhanhu wa taala said to Musa alhiysalaam tell firoun he should at least say la ilaha il allah (there is no god but Allah only) so that i may mercy on him. that is not burning him in hellfire eternally”

Allah subhanhu wa taala said to Musa alhiysalaam”tell the transgressors of your people do not remember me because i have promised when they remember i remember them and when i remember them i curse them”

and said to dawood alhiysalaam”I curse the zaalimoon(tyrants and transgressors) when i remember them “

وَنَادَىٰ أَصْحَابُ الْجَنَّةِ أَصْحَابَ النَّارِ أَنِ قَدْ وَجَدْنَا مَا وَعَدَنَا رَبُّنَا حَقًّا فَهَلْ وَجَدْتُمْ مَا وَعَدَ رَبُّكُمْ حَقًّا قَالُوا نَعَمْ فَأُذِّنْ مُؤَذِّنٌ
4} بَيْنَهُمْ أَنَّ لَعْنَةَ اللَّهِ عَلَى الظَّالِمِينَ

7:44

: And the dwellers of Paradise will call out to the dwellers of the Fire (saying): "We have indeed found true what our Lord had promised us; have you also found true, what your Lord promised (warnings, etc.)?" They shall say: "Yes." Then a crier will proclaim between them: "The Curse of Allah is on the Zalimun (polytheists and wrong-doers, etc.),"

وَالْخَامِسَةُ أَنَّ لَعْنَتَ اللَّهِ عَلَيْهِ إِنْ كَانَ مِنَ الْكَاذِبِينَ

And the fifth [oath will be] that the curse of Allah be upon him if he .should be among the liars

There are many case in which the person who were pious

worshippers or qari(reciter of qurān) gone to hellfire why ?

There case and case of iblis shaytan rajeem ,firoun,dajjal and every tyrant is the same –

Shaytaan and all the people who were punished be it great or small have the same disease or who never be able to read kalmia e tayyiba the minimum condition to enter jannah..

1.they do not do much dhikr (literal by toungue not fake lip and heart reading).

2.they used to show off(riyakari). i.e committing shirk and kufr when alone but showing good image in front of the people or where others can see(intentionally) not in case where there is no chance but to help openly. Faking worship and deeds.(jabal omar selfie taking worshippers)

This is the disease which made sahytaan haughty also this was the practice of paraoh and antichrist.and nimrod.

What sin all used to do now there are two cases-

Allah subhanhu wa taala said to Musa alhiysalaam”not full line”

tell firoun he should at least say la ilaha il allah (there is no god but Allah only) so that i may mercy on him. that is not burning in hellfire eternally”

And then it will be said: "O Muhammad, raise your head and speak, for you will be heard; ask, for your will be granted your request; intercede, for your intercession will be accepted." I will then say: "O Lord, allow me to intercede for whoever said: *La ilaha illallah*." Then Allah will say: By My Power, by My Majesty, by My Supremacy, and by My Greatness,These intercession is only for me, I shall take out of the fire whoever said: *La ilaha illallah*.(narrated by hassan basri)

1. The servant who will not be punished eternally i.e they have said one time la ilaha il allah or here o israel your lord is one god lord many times(people of book and mohamedens) .
2. The servant who will be punished eternally i.e they have not said it or were not blessed with it.

“alhtough all commit these sin but mohammedens are punished

in our time that's why they are pointed to cure".

"this sin is committed least* in community of mohammedans when comparing* to others".

"you commit sin privately .you start riyakari.and then you start lying and committing dhulm(oppression and transgression).and then takkabur fill in your heart"

"nafs worship is more lower sin than idol worship the worst mushrik iblis rajeem,firoun,dajjal,nimrod used to do nafs worship which resulted in idol worship"

"in our community nafs worship is more practised and remains"

" All these mushriks and followers establish cities and like to live in cities or follow it because it is the center of nafs worship"

no cities are not hellfire pot but "god chosen prophets chose village or country side culture or open country. while tyrants described above chosen city or chosen city nafs worship culture or way of life .i mean (the case of prophets) way of life under the law of god.

Sin is the same but the level of severeness and worstness is different.

You will not see these person killing or raping or torturing or stealing

many less infidels and sinners get these chance so what did they do regularly when alone ?

They all commit the same sin in private or openly that is looking closely at the lower parts of women and men too habitually .kissing and licking it and committing anal sex or sodomy. and both men and women are involved in these sin . look when you are alone no one is listening to your lies or your cursing right so men say different things but all human and jinn commit the same sin .it is the primary sin along with riyakari and lying.

Second they all lie. Or habit of lying and showing off (riyakari)that is lying without the tongue . lying by appearance and beautiful voice talking which is not their status .old habit of women.

Now in case of first people some stop and repent but majority continue to commit but repent or try to get away or ask forgiveness time to time.

Second case is of the people who feel no shame and remorse for doing these and feel proud in these act nor did they try to get away with these.

Which is also practiced in first group too after internet revolution it has increased 70 times

“.thats why “muslim and many ahle kitaab” “not so in reality” countries are destroyed one by one either by war or either by money flow like Saudi Arabia.”

innocent mooslims(jabal omar worshippers and Friday worshippers)

the majority of ummah who have long abandoned al quran al kareem except lip reading(riyakari) showing off. Thats how they respond to daial

the false messiah and taabu duna shaytaan (worshipping shaytaan).

why dont in judgement it is narrated?

because it is too much low to be narrated by god and his malika.thats why random sin are chosen even it seems the same sin committed by other forgiven servants.

innocent mooslims(jabal omar worshippers and Friday worshippers)

the majority of ummah who have long abandoned al quran al kareem except lip reading(riyakari) showing off. Thats how they respond to daial

the false messiah and taabu duna shaytaan (worshipping shaytaan).

Some less severe are they used to do zina and drink liquor(which results in nafs worship if taken beyond limits and not repenting) or drugs but it can be repented less hardly then the previous one.

although there is very less chance in these case if you repent daily in private .which most of the time not happens.

First case is the like of abu sufyan or majority of mankind 999 out of 1000 in our time who used to do these in front of the people with his slaves. Everyone knows what he and his progeny did all history(al assad is from the tribe of bani qalb tribe of abu sufyan).second is the case of every infidel and polytheist like paraoh and iblis and dajaal and nimrod and abu jahal.

What happens next?

What we expected Allah subhanhu wa taala curse them all according to severity of their sin and transgression some become absolute infidels and polytheists and some like them and some become jumma day mooslims(majority of mooslims) some faith and some shirk corrupted iman.

“because they are going to use the same tongue for calling holy names which they use it for these lowly act that is what make them cursed and unguided.seeing and touching by mouth both are forbidden explicitly”

“jumma day muslims are not considered muslims by the law of allah subhanhu wa taala in quran al kareem.you have to pray five times a dayand give zakat minimum condition ordered by allah subhanhu wa taala in quran al kareem for to be called muslims.

“and the people of taurat(bible book of mooses) are called to pray two times a day “fajar and asar” and people of injil (gospel) at least three times a day fajar ,asar and zohar”

“the majority of muslims and umrah worshippers in numbers in mankind is jumma day worshippers”

and thats why quran is long abandoned and there is no practice of quran law in judicial, political,religious matters except in case of money and woman by majority of mohammedens.although many imam still lies and call them muslims”.

what Allah subhanhu wa taala call them in the quran?

they are identified as-

[Adhere to it], turning in repentance to Him, and fear Him and establish prayer and do not be of those who associate others with Allah.(surah rum 30.20).

they are identified as one of the mushriks because they are doing the same thing what mushrik are doing worshipping the nafs(jabal omar makkah mall worship) and shaytaan rajeem and abandoning the prayer daily.

Sahih International: And the Messenger has said(on the day of qiyamah), "O my Lord, indeed my people have taken this Qur'an as [a thing] abandoned(deserted).surah furqan(25.30)"

thats why although they came in million in umrah to mecca and medina but you will find no quranic law in their locality or city. "it was forgiven only for believers who are small in number and strength not for nation of millions jumma day and umrah worshippers(fake muslims) from nation of mohammedens".

why they are allowed to do umrah in mecca and medina? because they have said kalima e tayyiba and they are called to remind them of qurans responsibilities.but what they do is enjoy holidays ,shop.eat and show the photos and selfies to people "look we have gone to umrah now considers us as a good muslim although majority do not even who have done 10 or 50 umrah will be find that they do not pray five times and day let alone follow the quran al kareem.

But who repents can have his faith back until if he do so contionously not at the time of death. But it need you really pray five times do ENOUGH dhikr and give zakat .now I will not cite here all the quranic ayat here every one knows of these laws who have studied quran the alma matter is different here .

Some extra intelligent muslims say these act has void the kalmia no its just a lie of their own do nothing head they will just be punished for some time not their kalima becomes void no one lies when he say the kalmia e tayyiba

La ilaha il allah first time .

“the words of Allah subhanhu wa taala free from error and mistakes .

**So what the case of iblis didnt he was a pious worshipper
Yes he was externally but in his time one was not required to
say it to become muslims nor one would question you if you not
say it he directly gone to show fake worship to “allah
subhanhu wa taala” nor he did tussabih “dhikr of allah by
tounge even for one hour or even five minutes sincerely or in
reality.it was after the coming of adam alhiysalaam or strong
proof is that after the coming of ibrahim alhiysalaam it becomes
compulsary to say this to enter islam.**

**“he was directly called “kafir” by Allah subhanhu wa taala
.which proves that he never said “la ilaha il allah” by
himself.while angels (malaika) call someone a kafir because or
indirectly be called because after reading kalima they or
reading very less time(at least hundred times continously).
again turned to kufr and shirk and become like them(jumma
day muslims) in sin and transgression and burn in hellfire”**

**Like many infidel he can only say “allah” only one time but can
not say it even three time.one time was allowed to express their
words. Because he never done dhikr he was only faking worship
in front of the people.**

**He has not been reported to have said tusabbih of malaika by
his own tounge even hundred times consecutively or
continuously.**

**Secondly He used to look at private parts of women or jinni and lick
and kiss it (closely looking) which he still practice. And is widely
practised in all mankind and jinns. when alone especially in night
time along with their women.**

WHATS THE CURE?

**Only one dhikr of Allah subhanhu wa taala by tounge abundantly
and asking forgiveness in secret and alone, and become homeless like
Isa ibn Maryam sallu ahiy wassalam for a few time. the time
prescribed for these act is night time because that is the time the true
face of servant is revealed .because there is no one who will watch
your act and condemn you.**

why Isa ibn Maryam only and not Musa alhaiysalaam?

because Isa ibn Maryam alhaiy salaam was a homeless person who used to pray and do dhikr and give zakat. and you don't possess the heart of Musa alhaiy salaam. homeless person (without tent) do not do private sin and riyakari and takkabar.

There is no servant of Allah subhanhu wa taala in these world or the day of qiyamah which used to remember Allah subhanhu wa taala even hundred times a day by his tongue continuously and use to ask forgiveness in night was punished by fire it is only found in one type of people the "balevers" not shaytaan who never remembered Allah subhanhu wa taala nor does he used to ask "forgiveness in aloneness" not even one time he have done that if he would have done he would have died in category of believer. he may have made different dua but not asking for forgiveness both are two different things.

It is said in a revelation that if some servant prays in private or alone as sincerely as same as he sincerely prayed in front of the people then he is called truthfull by Allah subhanhu wa taala . of course the jumma day muslims never do that.

WHAT ABOUT THE QURAN ?

These is the main deception which hell bound believers are using from long time

saying "yusuf met his brothers" is not the same as saying the name of Allah subhanhu wa taala .

That's why our ummah has successfully mahzur(deserted) the quran(it is an ayah of quran as a testimony of muhammed sallu alhaiy wassalam on day of judgement) although they read the quran in month of Ramadan and become "muslims" for five times a day for one month. but you will not see them remembering Allah subhanhu wa taala even for half an hour in masjid or asking for repentance in night even in month of Ramadan because going to your wife is "halaal" after long day hunger and thirst suffering in closed room of ac and car .

Munafiq qari is found in our ummah but there is nothing as munafiq zakir (tounge reading zakir) .

A person who said even 100 times kalma atayyiba by his own

A person who said even 100 times kalima e tayyiba by his own tongue continuously is among the believers no matter how sinner he may be.

What about balaam mabura and qarun and hypocrites wife of nuh and lut alhiysalaam?

I was coming to it they never said or done dhikr of allah subhanhu wa taala they were the same as jumma day mooslims that praying when everyone was praying they never said kalima e tayyiba 100 times and never once in a lifetime asked forgiveness from Allah subhanhu wa taala in private(where no one was seeing them).

Or showing that we are praying so please praise us.

Looking at lower private parts of women and men(most of the time na mahram means un married) in secret and kissing and licking them and reading taurat or quran one time. and appearing as good mooslims in al haram “selfie”and society.and not asking forgiveness in private or night time because it is the time to watch good things of the world.

For example

If it is readed by these type of people –

Hear o Israel your god is one one god free from partners.

Or allahu la ilaha illa huwa a hayyu qayyum .

Tell them if you are bilievers read it ten times or three times like shaytaan they will only able to read it only one time or may be by force three times but not even ten times.

WILL THE MUNAFIQ WILL GET OUT OF HELL FIRE ONE DAY

Yes but after a long punishment for following shaytaan and firoun and not repenting.

Then who will remain ?

there are munafiq among the ahle kitaab too who never said it because that is out of their religion it is only required in muslim society although both claims to have faith in allah subhanhu wa

taala.

What the good news?

In our time many millions of ahle kitaab and muslims are able to read the ayah 100 times I mentioned previously actually in our time ahle kitaab have out performed the mohammedens (they too pray to allah subhanhu wa taala and give zakat) except in few cases.

The literally descended from every height as promised in quran al kareem in the story of dhul qarnain(alexander)..

That is education ,sciences,mathematics,empirical reasearch.weaponry, transports and security and defense systems ,hungry and orphan and widow feeding and support ,medicines,astronomical and ecological research and development ,atomic research,nuclear research,internet and computers,telecommunication ,banking and then making and using in “real” final product for the mankind be it good or bad.

Psychology and the devils secret

psychological problems reflect the real problem or evil or sin of yourown self you should examine it and study it thoroughly to know the devils secret in your evil of your soul it hiding in their just examine it carefully

in your psychology is the secret of how devil is controlling your desires and evil against you sit in peace and examine every small points after few days you will find the devils loop hole in your ownself .

How to do it

1.first go away from the human settlement in a valley or village

2.then ask forgiveness from god in private

3.no dont watch porn there thats what devil wants not to reveal his secret porn blocks your mind form the thinking which let you know the secret of devil in your soul you understand these whole theory.

4.Now devil will send women or images of women or of men always to fail the mission generally when devil send or use a women or men to come to you then they with a very strong intention and dont go away until you threaten them and if he send images into your mind

away until you threaten them and if he send images into your mind then it is very dense and intense effect in your mind that results as if it was real but you cant touch it because it

is a decpetion the women or men is fake but it appears to you real dont fall in it thats what the devil wants from you to follow this projection in your mind which he is using to commit sin.mind game.read the name of god and close your eyes the “projection(naked images) generally works when your eyes are open”

5.Dont fall into the trap thats what devil wants you look or use women one time you do it many times mssion fail and you are a used palm date. Dont surrender stand tall for truth and yourself same goes for women.

5 .Now start asking forgiveness from god first in private remember it is the most important step and then remebering his name third feed any poor forcefully if he does not want in case by your own hands thats why hehehe .

6.dont drink alchohol instaed drink tea or cofee or fast which you hundred percent will not.

7.now sit in peace and think about your all small psycholgical points when you commit the evil or sin .

8.make it in a bullet format in your mind.

9.observe what you do first when you commit the old habit sin always.

10.now god reveals you the road map of devil in maybe in grayish hoof prints in to your soul from the outside its look to your eyes like that

“ dont fear there is no devil in your pants.until you are in amazon swimming become like zohan laaand grrrrrabarr.(joking) in a case like that for suggestion ”

11.now here comes the hardest part devil is informed that you aresearching his secret method to make you sin and the “real battle starts from here until death”

12.you will come to know he uses the same way always it his nature he will always use the same route .

13.now god reveals all his methods and logic and things he always uses and you will around you always when you commit same old scene. you aroused by red devil will use this understand the trick here.you aroused by female or male voice devil will use this in your unconciousness around you and insert these things or information while you do not know it to be later executed for sin and dishonoring

while you do not know it to be later executed for sin and disobeying.
14.now important art comes god reveals a set of words which devil uses before make you committing sin learn it to recognize the danger coming .

15.now he sends all his deception to you first is he will give you the wealth and second he will give you a maiden of paradise like women dont trust him look around who were promised like you did they get it no .

16.now psychological battle starts devil comes to you why dont you take it when i am giving you for small price you says in your heart you promised to other people but you never give it to them He will say they have this and this bad habits sin (he is himself the biggest infidel) or “lazyness” remember, thats why they lose it “but you are not like them you are better than them you deserve it the worldly wealth and this maiden like women”

Just do one thing curse and insult him the best way you can and then take gods name very very times because it broke the devils deception right at his face say “la ilaha ilallah”

Or say here o israel your god is one god lord many times and god will answer veirly my servant have said the truth there is not god but me so worship me alone

Hearing these devil run away along with the taghut he came with. God is with you when you read these verse many times not like hypocrites one time say at least three times minimum for a believer.

Now devil sends you real physical pain and first shock is most painfull or first blow is very much powerfull dont fall or run away continue reading these verse .

These will continue for days. Suddenly his blows become less severe until it feels like a feather which feels you in your heart he is mercifull enemy dont fall into this trap.

Its his trick to fool you so you may take him as a good servant who is a enemy onto you dont fall in these mind game.he purposefully done that to you not because your fighting was intense .

Now you have become a servant on whom shoulders god will trust for responsibilities.

And then start the main battle was his deception so that he may return again and you dont prepare against a “good beahvoiur enemy” he plays with your psychology. mind game” trick of devil with isa alhaiysalaam”

sahytaan iblis came to isa lahiysalaam and said read the kalima o isa “check his words he is not saying he is saying the” kalima” the name of that declaration of faith”

of that declaration of faith

of which isa ibn maryam answered "i will read kalima many many times but never obey you devil "iblis".

what kalima isa alhiysalaam used to read its the same with a blessing from allah it is "la ilaha ilallah al maliki al haqq"
Now you again start taking the name of god and praying in morning and evening sunset at least these prayer are not forgiven .to any community of book.rabbis pray that in jews and monks pray in christians learn from them if do not know it takes five minutes only and is a muslim(who submitted to gods commands) prayer.

the main or longest battle between you gods servant and the devil nafs servant or nafs worshipper starts. you have your own self trust in what god has given you .and especially and more importantly in gods "remebernce by own tongue".

And it continue until death comes .dont surrender he is waiting when you are careless

And remember the main principle of devils deception or primary weapon for the devis deception "it is the women for men and men for women" look for these you will find the devils next trap for you prepared and it is always your own woman or the woman you know off" or same for women the men they know or there own men form which he pass lies to the women.

Remember devil "always lies first before setting the trap and trick for you "

Know the truth believe in it and you will escape this.

But how did i confirm i believed or what is the method of belive and increase it ?

It is always the same "ask forigveness in night or in private and remember gods name or the verse i described the more you do it the more you believe it"

The person who asked one time forgiveness in private form allah god only one time is made among the blievers by god for forever and if he read the verse described above many times he very much become a hard believer or the beliver who will surely be forgiven on the day of judgrment ehther its a jew or shristan or a women married into an unbilievers society the mercy and decision of god is same for all the case just do it it takes only two hours of night.

What time i should do it?

Gods command descends at fourth heaven where Jesus is praying on
around two hours before the sunrise right on that time where God
announces into the universe "is there anyone who wants forgiveness
from me so that I may forgive him/her?"

Is there anyone who wants freedom from oppression and poverty so
that I may relieve him/her?

Is there anyone who is remembering me so that I may reward
him/her with faith and forgiveness?

The person who is alone is watched by God repenting in private
where his true face is revealed and then made a believer even he did
that for five minutes 'forgiveness not prostration or praying or reading
of book I mean literal forgiveness'

"Oh my God forgive me verily you are the most merciful"

Now I have already revealed the secrets of the punished servant so
no need to mention here again.

Now more you do these more stronger your faith becomes. And
there is no showing off in one act remembrance of God rather it is
prescribed to do more in face of others even they hate it.

Because the time of descendancy of prophet Isa ibn Maryam sallu
alhaiy wassalam has come.

Is there a simple cure to confirm hundred percent that a person is
believer?

yes it is but not the guarantee of not punishing. do two things-

1. ask forgiveness from Allah subhanhu wa taala not pray or ruku or
reading Quran but bow down and ask forgiveness from Allah
subhanhu wa taala crying in night in a place where you are
apparently alone and no one is watching at least one time do it at
least three continuous nights and please stop watching at forbidden
things or be prepared to be punished and cursed again.

"say clearly to Allah subhanhu wa taala save me from committing sins
and looking at forbidden things"

2. after asking forgiveness read "la ilaha ilallah or here O Israel your
lord is one God lord but it is better you read in Arabic or Hebrew

instead of english at least hundred times(literal tongue reading not air murmuring) or thousand times if you can .thousand times means you have a very good faith you have just become sinner and average .beyond thousand times you are a very good servant but is an fool who dont know how to serve Allah subhanhu wa taala . the more you do it contionously the more stronger your faith becomes for forever.

or read durood (blessing on any prophet the seven greatest messengers and prophets are Musa, Isa, muhammed ,adam,nuh,ibrahim ,imran sallu alhiywassalam but durood is recomended to send on all prophets in quran by Allah subhanhu wa taala.(names are not according to ranking because i dont know).at least hundred times.

asking forgiveness in when alone or in hiding and remebering allah subhanhu wa taala at least hundred times continously by your own tounge literally not air murmuring. no one does it but a believer(non hypocrite)”

confirmed you will not die as a kafir ,mushrik and munafiq.

but i dont gurantee the lessing of punishment of all sins it is just a sign of a believers but if you do so continously guranteed you will not be punished after death for eternity.

whoever said la ilaha il allah or here o israel your god is one god lord 70000 times (literally tongue reading will be forgiven).and fire will not touch him.

and on few days ago i was able to complete my target of 75000 plus target of la ilhaha il allah in one day from one asar(4.00 pm to next asar 6.00 pm) to raise the standard an ban was imposed on me from childhood on alcohol and girls also i have to suffer losing of coniousness epeileptic seizures nervous breakdown “if you believe”- devils attack,people calling me a mad or understanding me as a gay or traier to the prophet or muslims fitna originater the unjust war originater social boycott conflict with enemies and trouble trial fighting along with hussein ,trying to become head prophet but i was always confident that Allah would help me to get through all of this but the target is achieved by the help of allah i was able to as i have said i am not really like that but i was imposed to achieve this target only three days ago it took me about 12 yearsin your count but for me it eas like aloong time wiich only allah and some of it i know how long that was it was like passing hundred years in few days or hours

it was way long in this long journey i have become like an old scholar character type from inside only my body is li

like an teenage boy but form inside i am no longer that person that i used to be in my childhood only hussien knows how much long time we have passed in humanity i think but by the help of allah we win against the enemy

hussien has yet to achieve this but he is way harder than me and will do it way better you can not imagine what i witnessed of his pain and suffering as if we was nothing but a lowliest dirt for years but now he has recovered and allah has given him a large piece of land in the mashriq of earth which i also share some of his blessings but i think i dot know who suffered the most hussien or his mother soemtimes i take my pain as same as hussien and remember my passing out from pain and devils attack to stop me beacuse than it would gernerate a wave of tauhid which would extreminate shirk and kufr and dhulm but the case of hussien was so much intense that we decided to do it as early as possible and it was achieved .

**"verily Allah is with you when you remember him "
but the journey is still continuing and i am not frodo baggins.**

**SHARE THE PAPER IT IS COMPLETED ALHAMDU LILLAI
RABBIL ALAMIN**
